REPORT OF TRUST FUNDS IN THE TOWN OF GILMANTON, N. H.

January 31, 1935

NOTE—All funds listed in last year's report are still invested in the same way as shown in that report, and have been checked by the Auditors. Names and numbers of the bank books are here omitted to save space.

Date of Creation	Name of Fund and Form of Investment	Amount of Principal	Income During Year	Accrued Int. Not Expended	Expended During Year	Total Now in Fund
1902	I. Isaiah Robinson Fund for improvement of Gilmanton Iron Works Village	\$9 500.00	\$ 334.26	\$ 334.26		\$7,500.00

II. FUNDS FOR SMITH MEETING HOUSE CEMETERY

NOTE—There was enough money accumulated in the hands of the Treasurer of the Smith Meeting House Cemetery Association to pay for the work done during the past year. Therefore, no interest was drawn or "expended" by the Trustees of Trust Funds during the year, and the year's interest on each fund has been added to the principal of that fund, and will be available in any later year as needed.

School Board.

School Board of Gilmanton:

This is to certify that we have examined the foregoing accounts and find them correctly cast and properly vouched.

HATTIE P. KELLEY,

WILLIAM J. DAVIS,

June 30, 1934.

Auditors.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Gilmanton:

I herewith submit my second annual report as superintendent of schools.

The Tilton-Northfield Supervisory Union has been enlarged by the addition of Canterbury. This was made necessary by a further reduction of the number of superintendents in the state and the consequent reorganization of many of the unions. This union is now made up of Tilton-Northfield, Belmont, Canterbury, Gilford and Gilmanton. There are forty-five teachers and approximately one thousand one hundred fifty pupils.

STATISTICS

The following table compares the attendance records for the school year ending June 30, 1934, with those of the year previous:

	1932-33	1933-34
No. of pupils registered	139	144
Average membership	122	128
Per cent of attendance	93	93
Cases of tardinesses	281	274
No. of pupils not absent or tardy	12	14
Pupils transported at district expense	13	17
Visits by superintendent	119	148
Visits by Citizens	334	353
Visits by board members	11	15

ROLL OF HONOR

The following pupils are deserving of special recognition for excellent records in attendance during the last school year. I think, also, that the parents of these

children should be commended for their interest which in part is responsible for these fine records.

<i>Iron Works</i>	Harriet Kelley
Constance Davis	<i>Smith Meeting House</i>
John Foss	Richard Hanson
<i>Sanborn</i>	Eleanor Twombly
Blanche Martin	<i>Gilmanton Corner</i>
<i>Kelley's Corner</i>	Grace McClary
Geraldine Hawkins	<i>Potter</i>
Lucille Hawkins	Ruth Geddes
Charlotte Kelley	Mae Geddes
George Kelley	Annie Shlaitas

GRADUATION

Graduation exercises for the pupils completing the eighth grade work were held at the Town Hall on June 20, 1934. These exercises were presented almost entirely by the pupils themselves and in a very pleasing manner. The diplomas were presented the graduates by the Chairman of the School Board, Mrs. Florence C. Bordeau. The class roll follows:

<i>Corner</i>	<i>Iron Works</i>
Henry N. Langley	Constance I. Davis
Philip G. Little	Vera Edwards
Mary J. Maltais	Leon W. Perkins
Herbert E. Minsey	<i>Smith Meeting House</i>
<i>Kelley's</i>	Carl L. Stockbridge
Margaret C. Edgerly	Ethel M. Page

It is of interest that six from this group entered high school in September.

TEACHERS

We have had several changes in our teaching force within the year. Mrs. Althea French found it necessary in the spring to give up her work at the Sanborn school

and Miss Gladys E. Carpenter was appointed substitute for the remainder of the school year. Miss Carpenter's work proved very satisfactory and she was chosen to fill this position for this year. Miss Carpenter is a graduate of the Aroostook State Normal School.

Three of our teachers resigned in June to accept positions elsewhere. We were sorry to lose these teachers but were fortunate in the choices we made to fill these vacancies. Miss Alfreda Hersey, a graduate of Plymouth Normal with two years experience, succeeded Miss Dorothea Ward at Gilmanton Corner. Miss Alice Payne, a graduate of Plymouth Normal School, succeeded Mr. Philip Brown at Jones' Mills. Miss Rosemary MacAulay, a graduate of the Concord Training School, followed Miss Olive Ames at Smith Meeting House.

In December, with the reorganization of the school at the Iron Works, Miss Arlene Doran, a graduate of Plymouth Normal School with two years experience, was selected teacher of the lower grades.

The following table shows the present assignment of teachers, salaries, and enrollment at each school at this writing:

Teacher	School	Salary	Enrollment
Alfreda Hersey	Gilmanton Corner	\$850	29
Alice Payne	Jone's Mills	650	17
Alma L. Lakeman	Kelley's Corner	700	12
Helene Blodgett	Potter	750	15
Rosemary MacAulay	Smith Meeting House	700	18
Gladys E. Carpenter	Sanborn	700	17
Arlene Doran	Iron Works (I-IV)	750	19
Beatrice V. Eastman	Iron Works (V-VIII)	950	15

SCHOOL NURSE

Miss Ruth S. Langille, of Farmington, has succeeded Miss Ruth B. Whitcomb as school nurse and is doing some very creditable work.

In the examination of the 129 pupils last year 154 defects were found. Of these defects the report shows that 24 were corrected. Nineteen children were found with defective vision. An eye clinic was organized in which eight of the worst vision cases were fitted to glasses. This work was possible through the aid of federal funds allotted to Gilmanton for the correction of defects among school children.

In her report Miss Langille calls attention to a badly needed dental clinic and a tonsil clinic. She states that it is possible to get a dentist to come to Gilmanton for a week or two and do the school dental work for low rates.

Miss Langille in her report calls attention to the

importance not only of correcting of physical defects but also of teaching health habits as a means of building up community health, and commends the teachers for the good work they are doing in teaching and encouraging the practice of health habits.

REPAIRS AND ALTERATIONS

A much needed shed was built at the Sanborn school during the summer.

The large enrollment of 39 pupils at the Iron Works in the fall seemed to call for the employment of an additional teacher. The State Commissioner of Education agreed to approve temporarily the expenditure under state aid regulations for the employment of a second teacher provided a satisfactory school room was made available. By moving a partition and installing additional windows a satisfactory room was made which will accommodate some twenty pupils. This change was made during Thanksgiving Recess. The school was reorganized so that we now have two schools, grades I to IV in the newly arranged room, and grades V to VIII in the original room. This change, of course, has greatly relieved the situation and the results ought to warrant the additional expenditure. The cost of these alterations was approximately \$300 and has been financed without asking for a special appropriation.

What is especially needed at this school now is an adequate playground. It is to be hoped that the community or the school district may soon find some way of providing it.

CHANNING T. SANBORN,

February 15, 1935.
